## Stylish Stocking Fillers for Girls Who Garden!

### Deadheads

These deadheads are handy "mini snips" that make deadheading a doddle! Great for pinching back annuals and cutting herbs too. Their clean cuts mean no ragged edges that could invite pests or disease and their compact size means you can easily reach into the centre of plants. A lovely little gadget for the garden.

**£3.95**

### Gardener's Hand Cream

Luxurious Hand Creams for the gardener available in three different fragrances- English Garden, English Rose and Gardener's Hand Cream. Great for keeping your hands moisturised after a long day in the garden.

**£6.95**

### Luscious Lime Mobile Phone Sock

This cute Phone Sock is great for protecting your mobile phone whilst out and about in the garden and will also help you spot your mobile in the depths of your garden tool bag or handbag! Will also fit some MP3 players for the gardeners who like music on the move.
